Returning schools: Survey parents or use your current program as a planning guide. Include any requests for modifications or additions to your current program above.

New schools: Survey parents to determine a language choice and the best days and times for your program. We will offer Introductory and Beginner Levels for grades K-6 in your choice of one or two languages.

For Introductory and Beginner: FLES offers two 12-week sessions, with registration in both fall and in spring. Schools may choose to offer a full year program, where parents register and pay for both sessions in the fall.
