

Big Learning Behavioral & Learning Needs Form

Thank you for informing us that your child may have special needs which we could support in our enrichment program. We know that if your child's teacher knows his/her specific learning and behavioral needs the teacher can provide an enjoyable and enriching experience for your child. Please help us by answering the following questions about your child.

Name of Child: _____

School: _____

Grade Level: _____ Age: _____

Could you please describe any special behavioral and/or learning needs that our teacher should be aware of?

For each behavioral and/or learning need, could you please explain the best way for our staff to support your child?

Are there other types of behavior characteristic of students on the spectrum, such as self-stimulating behavior, that you would like to describe to the staff?

Are there any behaviors that require no intervention?

Please complete this form and return to us:

For S&E classes: science@biglearning.org

For FLES classes: fles@biglearning.org
